(Special Selection of Working Individuals)
(Degree Programs in Comprehensive Human Sciences)

Entry Instructions, Etc.

① This is an important document for selection. Write in detail as much as possible.
② For each activity, list the period (month and year) of the activities in chronological order and the details.
③ If there are other printed literature and output that show your activity details, attach less than 5 major items.
For output, explain by using pictures, etc. instead of the actual thing.
Furthermore, submitted publications, etc. will be returned following the completion the examination.
④ Add accompanying sheets in the same format whenever necessary.
