(Commendations, etc.)			

Entry Instructions

1. This is an important document for selection. Write all key considerations.
2. For each activity, list the month and year of presentations in chronological order.
3. If there are other printed literature and output that show your activity details, attach less than 5 major items. For output, explain by using pictures, etc. instead of the actual thing. Draw a circle on those submitted as supporting data. Furthermore, submitted publications, etc. will be returned following the completion the examination.
4. If the space provided is insufficient, prepare and attach accompanying sheets in the same format to this form. In that case, attach (page number/total number of pages) at the lower-right corner of all forms including this form.
5. Based on this form, you are allowed to prepare one by a word processor, etc.
6. Do not fill out ※.
