

**Change of February Entrance Examination (General Admission) for
Doctoral Program in Empowerment Informatics (First Year
Enrollment) and Ph.D. Program in Empowerment Informatics (Third
Year Enrollment)
Academic Year 2021**

We hereby give notice that the entrance examinations of the following programs, conducted in February, will be moved online. Reflecting this move, there will be no Supplementary Examination (Online) for Examinees Unable to be Present Due to the New Coronavirus COVID-19 (Special Provision for Graduate School Entrance Examinations (February) for Academic Year 2021).

- Doctoral Program in Empowerment Informatics (First Year Enrollment), Degree Programs in Systems and Information Engineering, Graduate School of Science and Technology
- Ph.D. Program in Empowerment Informatics (Third Year Enrollment), School of Integrative and Global Majors (SIGMA)

Due to this change, Section 8 of the application guidelines has been revised as follows.

※ We will contact candidates individually concerning how to take the online examination.

Doctoral Program in Empowerment Informatics (First Year Enrollment)

8. Screening Criteria

We will determine the students to be admitted by evaluating the submitted documents and their academic skills as a whole.

Examination Schedule and the Subjects

General Admission in February
