

Online Entrance Examination for Overseas Residents

Entrance examinations are held at the University Testing Center.

In some exceptional circumstances, the International Development and Peace through Sport (IDS) program will offer the entrance examination through an online platform for overseas residents who wish to take the examination. If an examinee wishes to take the entrance examination, the examinee must communicate with a prospective academic advisor and receive an approval.

Please check the schedule, etc. and submit the application form “Declaration for Online Entrance Examination for Overseas Residents” (page 2) **during the application period** if you request.
