

Examinee's Number	██████████	Name	██████████
Graduate School of Science and Technology Degree Programs in Systems and Information Engineering Master's Programs / Five-year Doctoral Program (January to February Selection Process) ██████████ (General Selection Process/ April Entry)			
【Check before submission】 Place a check mark next to the requirement that your score sheet meets. Only score sheets that meet both requirements will be accepted.			
<input type="checkbox"/> I took the English test on or after the year and month specified in the application guidelines. <input type="checkbox"/> My photo is printed on the score sheet.			

If you took the TOEIC exam outside Japan, you are required to submit the original paper-based “TOEIC Listening & Reading Test Official Score Certificate” by mail or courier.

After completing the web entry, you will be able to download the “English Test Score Sheet Submission Form.”

Please attach your score certificate to the form as shown on the left and submit it.

If you submit a copy of the score certificate instead of the original, you will not be permitted to take the entrance examination.
