University of Tsukuba

Supplementary Examination (Online) for Examinees Unable to be Present  
Due to the New Coronavirus COVID-19  
(Graduate School Entrance Examinations (October) for Academic Year 2021)

Supplementary examinations will be held online as a special provision for examinees for the October entrance examinations that are unable to be present at the examination venue due to the effect of COVID-19, etc.

Those examinees must obtain authorization by submitting an “[Supplementary Examination Application Form](#)” to the contact desk for their program (place for submission of application documents).

Note that the date and method, etc., for the supplementary examinations will be set for each program, so examinees must check a [separate table](#).

Supplementary Examination Application Period

◆October Entrance Examinations September 1 (Tue) to October 2 (Fri) \_\_\_\_\_

However, even after the above application periods, if circumstances change suddenly, it may be possible to apply anytime (up to the day of the test)

Note that telephone calls will be accepted up until 10:00 am on the examination day.

【Submission of the form: Contact desk (place for submission of application documents)】

## Supplementary Examination Application Form

Application date: Year Month Day

Application graduate school name:

Application degree program name:

Application master's or doctoral program name:

Entrance examination category: (Check the applicable category)

- Normal entrance examination
- Special selection of working individuals examination
- Other ( )

Scheduled entrance examination date: Year Month Day

Examinee number	
Name of examinee	
Address, including zip code	
Telephone number	
Email	

I am applying to take the supplementary examination for the following reason (attached certificate, etc.).

1 Reason for application [check any of the following reasons]

- (1) In the 14 days including the examination day, at least one of the following is applicable
- I have had symptoms such as fever, cold, etc.
  - I have been examined at a public health center and have been deemed to have come into close contact with an infected person
  - I have returned to Japan from overseas
- (2) I have been infected with the new coronavirus COVID-19, and am not likely to recover by the examination day
- (3) I reside overseas, and cannot come to Japan due to immigration restrictions, etc.
- (4) Another unavoidable reason  
(Reason: )

2 In the case of the above reason (1) attach the Health Observation Record Table, and in the case of reasons (2) and (4) attach a doctor's certificate or other certificate (a copy or photograph is acceptable) that will enable the reason for application to be checked.

Schedule for Supplementary Examinations Due to the Effect of the New Coronavirus COVID-19 (Overview) (October)

The following supplementary examination schedule is for the special provision supplementary examinations to be held online for examinees in the October period that are unable to come to the entrance examination venue due to the effect of the new coronavirus COVID-19. To take a supplementary examination, it is necessary to apply and obtain authorization from the university in advance, so those wanting to take a supplementary examination should apply by submitting a "Supplementary Examination Application Form" on this site.

**【Graduate School of Business Sciences, Humanities and Social Sciences】**

**Degree Programs in Humanities and Social Sciences**

Program Name	Selection Category	Supplementary examination schedule	Supplementary examination time	Examination subject	Examination method
Master's Program					
International Public Policy	General Admission	Entrance examinations in October will be held online. There will be no supplementary examinations.			
International and Advanced Japanese Studies	General Admission	October 17, 2020	Individual adjustment after supplementary examination authorization	Specialized Subject (100 points) Foreign Language (100 points) Oral Examination (100 points)	For specialized subject and foreign language, a 60 minute examination will be held online using Google Meet, Google Forms, and Google document sharing. For the oral examination, an interview of about 15 minutes will be held online using Google Meet.
Doctoral Program					
International and Advanced Japanese Studies	General Admission	October 17, 2020	Individual adjustment after supplementary examination authorization	Specialized Subject (100 points) Oral Examination (200 points)	For the Specialized Subject, a 60 minute examination will be held online using Google document sharing and Google Meet. For the oral examination, an interview of about 30 minutes will be held online using Google Meet.

**Degree Programs in Pure and Applied Sciences**

Program Name	Selection Category	Supplementary examination schedule	Supplementary examination time	Examination subject	Examination method
Master's Program					
Mathematics	General Admission, Special Selection of Working Individuals	October 19, 2020 October 20, 2020	Individual adjustment after supplementary examination authorization	Specialized Subject (600 points) Foreign Language (100 points) Oral Examination (300 points)	For the specialized subject and oral examination, an online interview of about 50 minutes will be held using Zoom (of which the specialized subject will be about 30 minutes and the oral examination about 20 minutes). For the foreign language, an online interview (about 10 minutes) using Zoom will be held for those that have selected a written examination, and evaluation of the external English language proficiency score will be used for those that have submitted an external English language proficiency test score (no change from the Graduate Admissions guidelines for those that have submitted an external English language proficiency test score).
Physics	General Admission, Special Selection of Working Individuals	October 19, 2020 October 20, 2020	Individual adjustment after supplementary examination authorization	Specialized Subject (600 points) Foreign Language (100 points) Oral Examination (300 points)	For the specialized subject, there will be a written examination online. For the oral examination, there will be an online interview using Zoom. For the foreign language, the external English language proficiency test score will be evaluated (no change from the Graduate Admissions guidelines).
Chemistry	General Admission, Special Selection of Working Individuals	October 19, 2020 October 20, 2020	Individual adjustment after supplementary examination authorization	Specialized Subject (600 points) Foreign Language (200 points) Oral Examination (400 points)	For the specialized subject and oral examination, an online interview of about 40 minutes will be held using Zoom (of which the specialized subject will be about 30 minutes and the oral examination about 10 minutes). For the foreign language, the external English language proficiency score will be evaluated (no change from the Graduate Admissions guidelines).
Engineering Sciences Subprogram in Applied Physics	General Admission, Special Selection of Working Individuals	October 19, 2020 October 20, 2020	Individual adjustment after supplementary examination authorization	Specialized Subject (500 points) Foreign Language (200 points) Oral Examination (300 points)	For the specialized subject and oral examination, an online interview of about 40 minutes will be held using Zoom (of which the specialized subject will be about 15 minutes x two times, and the oral examination about 10 minutes). For the foreign language, the external English language proficiency score will be evaluated (no change from the Graduate Admissions guidelines).
Engineering Sciences Subprogram in Materials Science	General Admission, Special Selection of Working Individuals	October 19, 2020 October 20, 2020	Individual adjustment after supplementary examination authorization	Specialized Subject (500 points) Foreign Language (200 points) Oral Examination (300 points)	For the specialized subject and oral examination, an online interview of about 40 minutes will be held using Zoom (of which the specialized subject will be about 25 minutes and the oral examination about 15 minutes). For the foreign language, the external English language proficiency score will be evaluated (no change from the Graduate Admissions guidelines).
Doctoral Program					
Mathematics	General Admission, Special Selection of Working Individuals	October 21, 2020	Individual adjustment after supplementary examination authorization	Oral Examination (200 points)	Online interview for about 30 minutes using Zoom (of which a presentation on the master's thesis results or plan will be about 20 minutes, and the oral examination about 10 minutes)
Physics	General Admission, Special Selection of Working Individuals	October 21, 2020	Individual adjustment after supplementary examination authorization	Oral Examination (200 points)	Online interview using Zoom
Chemistry	General Admission, Special Selection of Working Individuals	October 21, 2020	Individual adjustment after supplementary examination authorization	Oral Examination (200 points)	Online interview for about 30 minutes using Zoom
Engineering Sciences Subprogram in Applied Physics	General Admission, Special Selection of Working Individuals	October 21, 2020	Individual adjustment after supplementary examination authorization	Foreign Language (100 points) Oral Examination (200 points)	For the foreign language, the external English language proficiency test score will be evaluated (no change from the Graduate Admissions guidelines). For the oral examination there will be an online interview for about 30 minutes using Zoom.
Engineering Sciences Subprogram in Materials Science	General Admission, Special Selection of Working Individuals	October 21, 2020	Individual adjustment after supplementary examination authorization	Oral Examination (200 points)	Online interview using Zoom. Presentation regarding the master's thesis or research accepted as being equivalent (about 15 minutes) and questions and answers (about 15 minutes).
Engineering Sciences Subprogram in Materials Science and Engineering	General Admission, Special Selection of Working Individuals	October 19, 2020 October 20, 2020	Individual adjustment after supplementary examination authorization	Foreign Language (100 points) Oral Examination (200 points)	For the foreign language, the external English language proficiency test score will be evaluated (no change from the Graduate Admissions guidelines). For the oral examination there will be an online interview for about 30 minutes using Zoom.

Doctoral Program(five-year)					
Empowerment Informatics	General Admission	October 22, 2020	Individual adjustment after supplementary examination authorization	Application Document Screening (100 points) Oral Examination (200 points)	Document screening based on submitted documents (no change from the Graduate Admissions guidelines) For the oral examination there will be an online interview for about 30 minutes using Zoom.
Master's Program					
Policy and Planning Sciences	General Admission	Entrance examinations in October will be held online. There will be no supplementary examinations.			
	Special Selection of Working Individuals	Entrance examinations in October will be held online. There will be no supplementary examinations.			
Service Engineering	General Admission	Entrance examinations in October will be held online. There will be no supplementary examinations.			
	Special Selection of Working Individuals	Entrance examinations in October will be held online. There will be no supplementary examinations.			
Risk and Resilience Engineering	General Admission	October 21, 2020	Individual adjustment after supplementary examination authorization	English (200 points) Oral Examination (300 points)	Online oral examination for about 20 minutes using Zoom, separate checking of English score for about 5 minutes
	Special Selection of Working Individuals	October 21, 2020	Individual adjustment after supplementary examination authorization	Oral Examination (300 points)	Online oral examination for about 20 minutes using Zoom
Computer Science	General Admission	October 21, 2020 October 22, 2020	Individual adjustment after supplementary examination authorization	English (100 points) Oral Examination (400 points)	Oral examination for about 20 minutes using Zoom (separate checking of English score for about 5 minutes)
	Special Selection of Working Individuals	October 21, 2020 October 22, 2020	Individual adjustment after supplementary examination authorization	English (100 points) Oral Examination (200 points)	Oral examination for about 20 minutes using Zoom (separate checking of English score for about 5 minutes)
Intelligent and Mechanical Interaction Systems	General Admission	October 22, 2020	Individual adjustment after supplementary examination authorization	Transcript (200 points) English (100 points) Oral Examination (300 points)	Transcript from the examinee's university will be evaluated (no change from the Graduate Admissions guidelines). The score of the submitted foreign language proficiency test score will be evaluated (no change from the Graduate Admissions guidelines). There will be an online oral examination of about 60 minutes using Zoom (of which basic academic ability questions together with manaba about 45 minutes, and oral questions regarding current research content, reasons for application, and research plan about 15 minutes).
	Special Selection of Working Individuals	October 22, 2020	Individual adjustment after supplementary examination authorization	Transcript (200 points) English (100 points) Oral Examination (300 points)	Transcript from the examinee's university will be evaluated (no change from the Graduate Admissions guidelines). The score of the submitted foreign language proficiency test score will be evaluated (no change from the Graduate Admissions guidelines). There will be an online oral examination of about 25 minutes using Zoom (oral questions regarding research to date (or working experience), reasons for application, and research plan).
Engineering Mechanics and Energy	General Admission	October 21, 2020	Individual adjustment after supplementary examination authorization	Transcript (200 points) English (100 points) Oral Examination (400 points)	Transcript from the examinee's university will be evaluated (no change from the Graduate Admissions guidelines). The score of the submitted foreign language proficiency test score will be evaluated (no change from the Graduate Admissions guidelines). For the oral examination there will be an online interview for about 40 minutes using Zoom.
	Special Selection of Working Individuals	October 21, 2020	Individual adjustment after supplementary examination authorization	Oral Examination (200 points)	Online interview for about 40 minutes using Zoom
Life Science Innovation (Bioinformatics)	General Admission	October 15, 2020	Individual adjustment after supplementary examination authorization	English proficiency (100 points) Individual Interview (100 points)	For the foreign language, the external English language proficiency test score will be evaluated (no change from the Graduate Admissions guidelines). There will be an online interview using Skype (oral presentation regarding research plan about 10 minutes, questions and answers about 10-20 minutes).
