

University of Tsukuba Graduate School Entrance Examinations (February) for Academic Year 2021

The Application Guidelines for Graduate School entrance examinations to be held in January and February 2021 have been published. The entrance examinations to be held in February are as follows. For details refer to the [Graduate Admissions site](#).

Note that based on the results of the entrance examinations held in September and October this year, for some master's or doctoral programs the number to be admitted (February) announced in June has been increased.

For information on master's or doctoral programs and majors to be taken exclusively in evenings, refer to the [Tokyo Campus HP](#).
