

**Change of February Entrance Examination (General Admission ·
Special Selection of Working Individuals) for Master's / Doctoral
Program in Intelligent and Mechanical Interaction Systems, Degree
Programs in Systems and Information Engineering, Graduate School
of Science and Technology
Academic Year 2021**

We hereby give notice that the entrance examinations of the Master's / Doctoral Program in Intelligent and Mechanical Interaction Systems, conducted in February by the Degree Programs in Systems and Information Engineering, Graduate School of Science and Technology, will be moved online. Reflecting this move, there will be no Supplementary Examination (Online) for Examinees Unable to be Present Due to the New Coronavirus COVID-19 (Special Provision for Graduate School Entrance Examinations (February) for Academic Year 2021).

Due to this change, Section 7 and Section 8 of the application guidelines has been revised as follows.

※ We will contact candidates individually concerning how to take the online examination.
