

【Notice】 Changing about the Number of Students to be Admitted and the length of the Oral Examination for Graduate School of Science and Technology for Admission 2022.

We are informing you that we would like to change the Number of Students to be Admitted for the Admission 2022 (Exam will be carried out in AY2021) as below the chart 1.

Furthermore, we would like to change the length of Oral Examination for the Doctoral Program in Agricultural Sciences and Doctoral Program in Life and Agricultural Sciences as the chart 2.

1. Regarding the change the Number of Students to be Admitted

Course	Program	Number of Students to be Admitted	Schedule	Selection Category	Number of Students to be Admitted (Before)	Number of Students to be Admitted (After)
Master's Programs	Agro-Bioresources Science and Technology	124	Summer Selection Process	General Selection Process	120	110
				Special Selection Process for Working Individuals	4	2
			January to February Selection Process	General Selection Process	—	10
				Special Selection Process for Working Individuals	—	2
	Geosciences	52	July Selection Process	Special Selection Process for Recommended Applicants	12	12
			Summer Selection Process	General Selection Process	40	35
January to February Selection Process			General Selection Process	—	5	
Doctoral Programs	Agricultural Sciences	34	Summer Selection Process	General Selection Process	28	22
				Special Selection Process for Working Individuals	6	2
			January to February Selection Process	General Selection Process	—	6
				Special Selection Process for Working Individuals	—	4
	Life and Agricultural Sciences	15	Summer Selection Process	General Selection Process	10	8
				Special Selection Process for Working Individuals	5	2
			January to February Selection Process	General Selection Process	—	2
				Special Selection Process for Working Individuals	—	3
	Bioindustrial Sciences	12	Summer Selection Process	General Selection Process	10	4
				Special Selection Process for Working Individuals	2	2
			January to February Selection Process	General Selection Process	—	4
				Special Selection Process for Working Individuals	—	2

2. Regarding the change the length of Oral Examination for the Doctoral Program in Agricultural Sciences and Doctoral Program in Life and Agricultural Sciences

**【Before】**

(General Selection Process)

Program	Subject	Oral Examination (100 points)
Agricultural Sciences Life and Agricultural Sciences		Conducted individually, approximately 15 minutes for each applicant. You may conduct the interview in English. * Approximately 10 minutes of presentation using presentation software on the previous research, motivation for the application, and research plans after enrollment, followed by about 5 minutes of interview.

**【After】**

(General Selection Process)

Program	Subject	Oral Examination (100 points)
Agricultural Sciences Life and Agricultural Sciences		Conducted individually, approximately <b>20</b> minutes for each applicant. You may conduct the interview in English. * Approximately 10 minutes of presentation using presentation software on the previous research, motivation for the application, and research plans after enrollment, followed by about <b>10</b> minutes of interview.

Please note that make sure to check our web-site for Application Guideline which will be up in April. It will be an official announcement.
