Supplementary Examination (Online) for Examinees Unable to be Present
Due to the New Coronavirus COVID-19
(Graduate School Entrance Examinations (July Selection Process)
for Academic Year 2023)

Supplementary examinations will be held online as a special provision for examinees for the July entrance examinations that are unable to be present at the examination venue due to the effect of COVID-19, etc.

Those examinees must obtain authorization by submitting an “[Supplementary Examination Application Form](#)” to the contact desk for their program (place for submission of application documents).

Note that the date and method, etc., for the supplementary examinations will be set for each program, so examinees must check a [separate table](#).

Schedule for Supplementary Examinations Due to the Effect of the New Coronavirus COVID-19 (Overview) (July Selection Process)

The following supplementary examination schedule is for the special provision supplementary examinations to be held online for examinees in the July Selection Process that are unable to come to the entrance examination venue due to the effect of the new coronavirus COVID-19. To take a supplementary examination, it is necessary to apply and obtain authorization from the university in advance, so those wanting to take a supplementary examination should apply by submitting a "Supplementary Examination Application Form" on this site.

【Graduate School of Business Sciences, Humanities and Social Sciences】

Degree Programs in Humanities and Social Sciences

Program Name	Selection Category	Supplementary examination schedule	Supplementary examination time	Examination subject	Examination method
Master's Program					
Humanities	Special Selection Process for Recommended Applicants	July 7 ,2022	Individual adjustment after supplementary examination authorization	Essey (150 points) Oral Examination (150 points)	An interview of about 40 minutes (about 20 minutes for Essey and about 20 minutes for oral examination) will be held online using Zoom.
International Public Policy	Special Selection Process for Recommended Applicants	Entrance examinations in July will be held online. There will be no supplementary examinations.			
Doctoral Program					
International and Advanced Japanese Studies	Special Selection Process for Recommended Applicants	Entrance examinations in July will be held online. There will be no supplementary examinations.			

【Graduate School of Science and Technology】

Degree Programs in Pure and Applied Sciences

Program Name	Selection Category	Supplementary examination schedule	Supplementary examination time	Examination subject	Examination method
Master's Program					
Mathematics	Special Selection Process for Recommended Applicants	July 7, 2022	Individual adjustment after supplementary examination authorization	Written Examination (100 points) Oral Examination (100 points)	For the written and oral examination, an online interview of about 40 minutes will be held using Zoom (of which the written examination will be about 20 minutes and the oral examination about 20 minutes).
Physics	Special Selection Process for Recommended Applicants	July 6, 2022 or July 7, 2022	Individual adjustment after supplementary examination authorization	Oral Examination (100 points)	There will be an online interview using Zoom.
Chemistry	Special Selection Process for Recommended Applicants	July 7, 2022	Individual adjustment after supplementary examination authorization	Foreign Language (25 points) Specialized Subject (75 points) Oral Examination (100 points)	For the foreign language, the external English language proficiency score will be evaluated (no change from the Graduate Admissions guidelines). For the specialized subject and oral examination, an online interview of about 40 minutes will be held using Zoom (of which the specialized subject will be about 30 minutes and the oral examination about 10 minutes).
Engineering Sciences Subprogram in Applied Physics	Special Selection Process for Recommended Applicants	July 7, 2022	Individual adjustment after supplementary examination authorization	Foreign Language (100 points) Written Examination (100 points) Oral Examination (200 points)	For the foreign language, the external English language proficiency test score will be evaluated (no change from the Graduate Admissions guidelines). For the written and oral examination, an online interview of about 40 minutes will be held using Zoom (of which the specialized subject will be about 20 minutes and the oral examination about 20 minutes).
Engineering Sciences Subprogram in Materials Science	Special Selection Process for Recommended Applicants	July 7, 2022	Individual adjustment after supplementary examination authorization	Foreign Language (100 points) Written Examination (100 points) Oral Examination (200 points)	For the foreign language, the external English language proficiency test score will be evaluated (no change from the Graduate Admissions guidelines). For the written examination, we will hold an online examination using Zoom (15minutes). For the oral examination, there will be an online interview using Zoom (15minutes).
Materials Innovation	General Selection Process, Special Selection Process for Working Individuals	Entrance examinations in July will be held online. There will be no supplementary examinations.			
Doctoral Program					
Materials Innovation	General Selection Process, Special Selection Process for Working Individuals	Entrance examinations in July will be held online. There will be no supplementary examinations.			

Degree Programs in Systems and Information Engineering

Program Name	Selection Category	Supplementary examination schedule	Supplementary examination time	Examination subject	Examination method
Doctoral Program(five-year)					
Empowerment Informatics	Special Selection Process for Recommended Applicants	July 7, 2022	Individual adjustment will be made after the applicant is permitted to take supplementary examination	Application Document Screening (100 points) Oral examination (200 points)	As part of the document review and oral examination, applicants will give a presentation of their research plan and career plan (about 5 minutes), followed by a Q&A session (about 15 minutes).
Master's Program					
Policy and Planning Sciences	Special Selection Process for Recommended Applicants	July 7, 2022	Individual adjustment will be made after the applicant is permitted to take supplementary examination	Oral Examination (100 points)	The oral examination will consist of presentation (approximately 5 minutes) and comprehensive question and answer session (approximately 10 minutes).
Service Engineering	Special Selection Process for Recommended Applicants	July 7, 2022	Individual adjustment will be made after the applicant is permitted to take supplementary examination	English (100 points) Oral Examination (200 points)	The score of the external English examination will be evaluated. The oral examination will consist of presentation (research plan and career plan) and a comprehensive question and answer session (including confirmation of academic ability in mathematics).
Risk and Resilience Engineering	Special Selection Process for Recommended Applicants	July 7, 2022	Individual adjustment will be made after the applicant is permitted to take supplementary examination	Oral Examination (200 points)	In the oral examination, applicants will be asked questions on their specialization and purpose of enrollment.
Computer Science	Special Selection Process for Recommended Applicants	July 7, 2022	Individual adjustment will be made after the applicant is permitted to take supplementary examination	Oral Examination (200 points)	In the oral examination, applicants will be asked questions on their specialization and purpose of enrollment.
Intelligent and Mechanical Interaction Systems	Special Selection Process for Recommended Applicants	July 7, 2022	Individual adjustment will be made after the applicant is permitted to take supplementary examination	English (100 points) Oral Examination (200 points)	The score of the external English examination will be evaluated. In the oral examination, applicants will be asked about matters related to their specialty, current research, reasons for application, research plan and basic academic skills (mathematics).
Engineering Mechanics and Energy	Special Selection Process for Recommended Applicants	July 7, 2022	Individual adjustment will be made after the applicant is permitted to take supplementary examination	Oral Examination (200 points)	In the oral examination, applicants will be asked questions on their specialization and purpose of enrollment.

Degree Programs in Life and Earth Sciences

Program Name	Selection Category	Supplementary examination schedule	Supplementary examination time	Examination subject	Examination method
Master's Program					
Geosciences	Special Selection Process for Recommended Applicants	July 6, 2022	Individual adjustment after supplementary examination authorization	Foreign Language (100 points) Oral Examination (100 points)	For the foreign language, the external English language proficiency test score will be evaluated (no change from the Graduate Admissions guidelines). For the oral examination there will be an online interview for about 15 minutes using Zoom.

【Graduate School of Comprehensive Human Sciences】

Degree Programs in Comprehensive Human Sciences

Program Name	Selection Category	Supplementary examination schedule	Supplementary examination time	Examination subject	Examination method
Master's Program					
Disability Sciences	Special Selection Process for Recommended Applicants	July 11, 2022	Individual adjustment after supplementary examination authorization	Specialized Subject (200 points) English (200 points) Oral Examination (200 points)	Specialized subjects 90 minutes and foreign language 90 minutes using manaba Online interview for about 20 minutes using Zoom
Physical Education, Health and Sport Sciences	Special Selection Process for Recommended Applicants (General Selection Process)	July 7, 2022	Individual adjustment after supplementary examination authorization	Oral Examination (100 points) Application Document Screening (100 points)	Online interview for about 15 minutes using Zoom For the application document screening, personal records and research plans will be evaluated comprehensively (no change from the Graduate Admissions guidelines).
Physical Education, Health and Sport Sciences	Special Selection Process for Recommended Applicants (Special Selection Process for Working Individuals)	July 7, 2022	Individual adjustment after supplementary examination authorization	Oral Examination (50 points) Application Document Screening (150 points)	Online interview for about 20 minutes using Zoom For the application document screening, personal records and research plans will be evaluated comprehensively (no change from the Graduate Admissions guidelines).
Informatics	Special Selection Process for Recommended Applicants	Entrance examinations in July will be held online. There will be no supplementary examinations.
