(Important, advance notification)

Changes to the AY2027 Entrance Examination for the Master's Program in Informatics

1. Notification about "Change in the Oral Examination Content for General Selection Process"
   (August Selection Process/ January to February Selection Process)

  Regarding the Entrance Examinations for AY2027, The Oral Examination Content for General Selection Process has been changed as follows.

Changes

	After	Before
Change in the Oral Examination Content	It takes approximately 30 minutes per person. You will be expected to give a presentation about your research plan (approximately 7 minutes, in Japanese). After the presentation, you will be questioned about the content of the presentation and basic knowledge in related fields. **It includes question and answer session in English.**	It takes approximately 30 minutes per person. You will be expected to give a presentation about your research plan (approximately 7 minutes, in Japanese). After the presentation, you will be questioned about the content of the presentation and basic knowledge in related fields.

The above change will be finalized with the publication of the application guidelines, scheduled for April 2026.
Please make sure to confirm the application guidelines for 2027 Graduate Admission.
