

**List of Degree Programs with Revised Number of Students to Be Admitted for AY2027
due to the Establishment of the Graduate School of Integrative and Global Multidisciplinary Arena (G-SIGMA)**

From the AY2027 entrance examinations (conducted in AY2026), the number of students to be admitted for the degree programs listed below will be revised.

For details of the application requirements, please refer to the AY2027 Application Guidelines for each program, which are scheduled to be published in late April.

Please note that G-SIGMA is currently in the planning stage for establishment in April 2027, and the details are subject to change.

If any changes are made to the information below, they will be announced on the University of Tsukuba Graduate Admissions website, and the application guidelines will be revised accordingly.
